

PLEASE SUPPORT THE CHILDREN'S CANCER CHARITY WALK

STORMONT GROUNDS
SUNDAY 25th OCTOBER - 2.00pm

Adults £2 | Children Free

**Sponsorship Forms Available – Contact 07710 436 208 or
jacqueline@childrenscancerunit.com**

The Charity was formed in 1986 to build an 8 bedded unit at The Royal Belfast Hospital for Sick Children to treat children with cancer and blood disorders.

All funds raised are used to care for children in the province. This includes funding for equipment and resources such as staff, training and research. We exist solely to support the vital work done by the Unit. We depend on donations from people like you. We have already given £300,000 this year to part-fund the MRI scanner for the Children's Cancer and Haematology Unit.

WHAT WE'RE RAISING MONEY FOR

We need to raise £1,000,000 to:

- Build an extra 2 bedded isolation unit
- Provide specialised play and nursery care
- Counsel and assist families
- Provide support for medical research
- Help support specialist staffing

Thank you in advance for your support
